Bible Drill

This past spring 3 of our Associational Churches had 19 children and students participate in Bible Drill. Eleven children were state winners and three of the Youth and High School Drillers went on to the State Drill. Christian Fricks, a Youth Driller from Unity Church went to the National Youth Bible Drill after becoming the State Bible Drill Winner. We congratulate these Bible Drill participants and the churches they represent.

Some of you have mentioned the need for **Children's Discipleship**. One of the greatest efforts you can make is to help the children hide God's Word in their hearts. Consider Bible Drill as a part of your **Discipleship** for children. Contact Richard Sutherland, 706.377.3899 or Steve Ferguson, 706.254.5853 for more information.
