Awareness Meetings Sunday School Mentoring

Sunday School Mentoring Plan is ten months of training and motivation to help pastors and Sunday School directors lead their Sunday School ministries to be healthy and growing. The group meets about once per month on a weeknight. Ten churches in Hebron Baptist Association have participated in Sunday School Mentoring thus far and most have experienced significant growth.

A minimum of three churches must commit to participate in the mentoring process. Each church must have a Pastor and Sunday School Director that will make the commitment.

LeaderPath

A Leadership Development Process for Pastors and Church Staff

Encouragement, friendship, growth, and accountability are four needs of a minister. Find these in a **LeaderPath** group. In **LeaderPath**, leadership topics and books related to leadership are discussed. In addition, personal leadership issues are presented with discussion provided to help make godly and lasting decisions.

Every pastor and staff member would benefit from meeting with a **Leader-Path** group. The maximum number in each group is eight. If you are interested or have questions, contact Steve, 706-245-5853 or email smf55@bellsouth.n.net buy July 31.
